

Lil' Blessings Volunteer Agreement

By volunteering in the Lil' Blessings Consignment Sale, you are agreeing to the terms of responsibility Lil' Blessings has established for dedicated volunteers to ensure the organizational and overall success of this sale:

Please note:

- Each Pre-Sale Pass is good for only **ONE** person. If you wish for your parent, grown child or spouse to attend, they must also volunteer. We will provide assistance carrying large items if needed.
- If the scheduled shift(s) you are committing to falls after the pre-sale, your purchases will be held until after your shift(s) are complete. If you fail to fulfill this obligation having taken advantage of the volunteer pre-sale, the future privilege of volunteering for the Lil' Blessings Children's Consignment Sale will be forfeited, items will be donated and no refunds will be given.
- **Children are NOT allowed** during your volunteer shift. You must find your own childcare or you will be asked to leave your shift and reschedule at another time or forfeit volunteer benefits.
- Feel free to bring a light snack and/or drink. Due to the short nature of our 3 hour shifts, please make arrangements to have full meals before or after your shift. If you are working back to back shifts you may bring a snack and take a 15 minute break. Lil Blessings is unable to provide food or drinks.
- Because we greatly depend on your help, if you are also a consignor, please schedule your drop-off appointment at a time that does not conflict with your volunteer shift(s).
- Lil' Blessings reserves the right to deny or terminate volunteer rights.

Thank you so much for volunteering!
